

(d) If a veteran is incarcerated in a Federal, State, or local penal institution for a period of more than 60 days and is furnished clothing without charge by the institution, VA shall reduce the amount of the annual clothing allowance by 1/365th of the amount otherwise payable for each day the veteran was incarcerated during the 12-month period preceding the anniversary date for which entitlement is established. No reduction shall be made for the first 60 days of incarceration.

(Authority: 38 U.S.C. 5313A)

§3.811 Minimum income annuity and gratuitous annuity.

(a) *Eligibility for minimum income annuity.* The minimum income annuity authorized by Public Law 92-425 as amended is payable to a person:

(1) Whom the Department of Defense or the Department of Transportation has determined meets the eligibility criteria of section 4(a) of Pub. L. 92-425 as amended other than section 4(a)(1) and (2); and

(2) Who is eligible for pension under subchapter III of chapter 15 of title 38, United States Code, or section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978; and

(3) Whose annual income, as determined in establishing pension eligibility, is less than the maximum annual rate of pension in effect under 38 U.S.C. 1541(b).

(b) *Computation of the minimum income annuity payment*—(1) *Annual income.* VA will determine a beneficiary's annual income for minimum income annuity purposes under the provisions of §§3.271 and 3.272 of this part for beneficiaries receiving improved pension, or under §§3.260 through 3.262 of this part for beneficiaries receiving old law or section 306 pensions, except that the amount of the minimum income annuity will be excluded from the calculation.

(2) VA will determine the minimum income annuity payment for beneficiaries entitled to improved pension by subtracting the annual income for

minimum income annuity purposes from the maximum annual pension rate under 38 U.S.C. 1541(b).

(3) VA will determine the minimum income annuity payment for beneficiaries receiving old law and section 306 pensions by reducing the maximum annual pension rate under 38 U.S.C. 1541(b) by the amount of the Retired Servicemen's Family Protection Plan benefit, if any, that the beneficiary receives and subtracting from that amount the annual income for minimum income annuity purposes.

(4) VA will recompute the monthly minimum income annuity payment whenever there is a change to the maximum annual rate of pension in effect under 38 U.S.C. 1541(b), and whenever there is a change in the beneficiary's income.

(c) An individual otherwise eligible for pension under subchapter III of chapter 15 of title 38, United States Code, or section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978 shall be considered eligible for pension for purposes of determining eligibility for the minimum income annuity even though as a result of adding the amount of the minimum income annuity authorized under Public Law 92-425 as amended to any other countable income, no amount of pension is due.

(d) If the Department of Defense or the Department of Transportation determines that a minimum income annuitant also is entitled to the gratuitous annuity authorized by Pub. L. 100-456 as amended, which is payable to certain surviving spouses of servicemembers who died before November 1, 1953, and were entitled to retired or retainer pay on the date of death, VA will combine the payment of the gratuitous annuity with the minimum income annuity payment.

(e) *Termination.* Other than as provided in paragraph (c) of this section, if a beneficiary receiving the minimum income annuity becomes ineligible for pension, VA will terminate the minimum income annuity effective the same date.
